SERVICES OFFERED BY THE STATE EMPLOYMENT AGENCY FOR EMPLOYERS

Nodarbinātības
valsts aģentūra

Registration of vacancies and selection of employees

- ▶ The employer can register the vacancy electronically on the SEA CV and vacancies portal or at the SEA branch office
- ▶ At the request of the employer, SEA staff organizes the selection of applicants from among the unemployed and job seekers, organizes a meeting between the employer and applicants in person or remotely using Zoom platform
- ▶ The European employment service network EURES publishes a vacancy open to jobseekers in the countries of the European Union (EU), the European Economic Area (EEA) and Switzerland and offers the assistance of a EURES consultant to recruit workers from other EU and EEA countries.

Support for the Employers Regarding Employment

- ▶ Wage subsidy support
- ▶ On the job training
- ▶ Subsidized workplaces (measures for certain groups of unemployed, including for the unemployed with disabilities)
- ▶ Employment of the unemployed with disabilities for an indefinite period
- ▶ Summer employment of students
- ▶ Support for regional mobility for the employer

<https://www.nva.gov.lv/en>
<https://www.nva.gov.lv/en/offering-job>
<https://www.nva.gov.lv/en/eures>

**REGIONAL MOBILITY
SUPPORT FOR
EMPLOYERS**

FROM THE SEA, YOU CAN RECEIVE:

- compensation for transport expenses up to 10 euros per day
- room rent and compensation up to 200 euros per month

The employment relationship must be established with an employee who was previously granted the status of unemployed

www.nva.gov.lv
Free information phone 80200206

Application at the nearest branch of the SEA within 10 working days from the day of starting employment legal relations

LATGALE SPECIAL ECONOMIC ZONE

«Arnika K» Ltd.
«Landors L» Ltd.
«ST Parks» Ltd.
«Reclame fabriek» Ltd.

Unlike other special economic zones of Latvia, the location and area of each maximum territory that can be granted SEZ status has not been determined in the municipalities included in the Latgale planning region. In order for the process of determining the areas of territories to be flexible and to be able to adapt to the demand of the business environment, the territories to be included in the Latgale SEZ can actually be located anywhere in Latgale according to the discretion and needs of the company. Companies operating in the territories of the Latgale SEZ have the opportunity to apply for direct tax benefits.

Daugavpils city companies operating in LSEZ territories.
